PROFILE SUMMARY

I am a passionate IT professional with strong skills in Linux, Cisco networking, and AWS cloud technologies. I always try to deliver meaningful results and bring new ideas to the work I do. I believe in continuous learning and improving my knowledge to stay updated with the latest technologies. My goal is to contribute to the growth and success of the organization I work for.

TECHNICAL SKILLS

- **Programming Languages:** C, C++, JavaScript
- **Backend:** Node.js, Express.js, REST APIs
- **Frontend:** React.js, HTML, CSS
- **Database:** MongoDB, Mongoose
- **Tools And Utilities:** Git, VS Code, Sublime, Postman
- **Networking:**
 - **Basic Networking Protocols:** OSI Model, SSH, Telnet, DHCP IP
 - **Addressing & Subnetting:** IPv4, IPv6, Subnetting & Switching
 - **Routing:** VLANs, VTP, OSPF, Default Routes, RIP, Static Routing, Link Aggregation, Port Security
- **Windows Server:**
 - **Distributions:** Windows Server
 - **Network Services:** DNS, DHCP Active Directory
- **System Hardware:**
 - **Hardware & System Engineering:** Hardware Repair, System Assembly & Upgrades, Device Driver Installation, BIOS Configuration
 - **Networking:** Crimping, Packet Tracer, Network Topology Design, Peer-to-Peer Networks, Network Troubleshooting

SOFT SKILLS

- Problem Solving, Adaptability, Communication, Teamwork, Time Management, Self-Motivation, Fast Learning

PROJECTS

• Concert Booking System:

A full-stack web application for browsing and booking concert tickets. Features include secure user authentication (JWT), ticket booking limits, PDF ticket generation with barcodes, and an admin panel for concert management (CRUD). Built with **React.js**, **CSS**, **Framer Motion**, and a **Node.js + Express.js** backend with **MongoDB**. RESTful APIs handle all operations.

• Footwear Shop:

An e-commerce web application for browsing and purchasing footwear products. Features include user authentication, product catalog, cart management, and admin control for managing inventory. Built with **React.js** on the frontend and **Node.js**, **Express.js**, and **MongoDB** on the backend. The admin panel allows adding, updating, and deleting products.

EDUCATION

• State Board of Technical Education, Kerala:

Computer Hardware Engineering - CGPA : 7.14
Government Polytechnic college Palakkad

2020 – 2023

COURSES & CERTIFICATIONS

- Full-stack Node with React - Mashupstack, Kochi (2025)
- Completion of C Programming Test -Spoken Tutorial (2022)
